

CCFMS Speakers Directory Application Form

The Central Canadian Federation of Mineralogical Societies

CCFMS is an umbrella organization for mineral and lapidary clubs in Ontario. From time to time we get requests from clubs for the names of people who would be interested in speaking or demonstrating at their meeting. To assist such requests we maintain a **Speakers Directory** on our web site at www.ccfms.ca/About_CCFMS/speaker_directory.html

If you would be interested in being listed as a speaker or a demonstrator, please complete the following form to the best of your ability. Feel free to supply any additional information that you think we need to know.
