### Field Trip Information

Field Trips are organized by the [CCFMS Central Canadian Federation of Mineralogical Societies](http://www.ccfms.ca) to Lincoln Quarry, Beamsville twice a year - spring & fall - usually May & September.

- This location is not open to collecting by individuals or groups other than CCFMS scheduled trips.
- This trip is open to all members of CCFMS.
- No fee is charged, however, a [CCFMS affiliated club](#) membership card needs to be produced prior to entry.
- Pre-registration is required for this field trip - so that we know the number of participants.
- Please contact the Field Trip Leader, Jim Glen - click on the envelope. ✉

### Conditions

This is an actively working quarry.

- Collectors must be 16 years of age or older.
- Full safety equipment is required - hard hat, safety goggles/glasses, long pants, CSA approved "green patch" steel-toed safety work boots, and an approved safety vest.
- It is also expected that you will use gloves when collecting and wear a shirt/top that is safe & sturdy enough for collecting.
