Description

Emergency room care * doctors, nurses, and other health professionals assess and treat life-threatening injuries or severe illness

***EMERGENCY?
Please call 911
immediately.***

All cellphones are now GPS equipped - and so, the emergency people will be able to find you.

Then call your Trip Leader.

Niagara trip leader is Ashley Pollock & cell is 905-246-2056.

Your trip leader is CPR trained.

If you have a walkie talkie, you can use that as well.

If other people are close by, get them to call the Trip Leader.
