The SUDBURY ROCK & LAPIDARY SOCIETY is a non-profit organization formed in 1984, and incorporated in 1991, to promote geoscience as a recreation. Membership is \$10.00 per year (individual or family) which covers the calendar year (January 1st to December 31st), or any part of the year. Members receive a monthly newsletter (Nickel Basin Rockhound), lapidary equipment use upon completion of the required training course, and voting and library privileges. Central Canadian Federation of Mineralogical Societies (CCFMS) dues are included as part of the SOCIETY dues.
